

Employee Benefits

Built Environs employees enjoy a wide range of employee benefits, from attractive salaries and flexible leave arrangements, to training and development opportunities.

We want you to be at your best so we can be at our best.

Flexible work arrangements are key to a successful business. We offer a hybrid work option, along with flexibility with start and finish times and the ability to buy up to 10 days of additional leave.

We encourage you to grow and develop. In the last 12 months there were over 750 promotions and transfers across the group. In Australia, Built Environs offers 18 weeks paid primary carers leave and 2 weeks paid secondary carers leave.

Built Environs value diversity. Our objective is to achieve a 25% representation of female, as at March 2025 we are standing at 23%.

Employees are also eligible to apply for 2 days paid volunteer leave per annum to undertake voluntary activities in a range of sectors.

We offer an Employee Assistance Program with free counselling services for employees and their families.
